

The Curriculum of The Blessed Holy Family Catholic Academy Trust

The Blessed Holy Family is committed to excellence in all that it does. Secure in the knowledge that we are all created in Christ's image we see it as our responsibility to follow a curriculum that is:

- Inclusive and meets the needs of all
- Excites and engages all in a love of learning now and throughout their lives
- Enables all to be critical thinkers promoting challenging questioning and a deep engagement with the world around them
- Is rich and varied rooted in the best that the National curriculum has to offer.

Our curriculum reflects our mission and values. All are empowered to thrive and flourish. Our emphasis is on outstanding progress whatever each child's starting point may be. Across the Trust we are committed to the education of the whole person with Catholic social teaching embedded across the curriculum, enabling all to grow in a deep understanding of their call to service in the world around them rooted in the Gospel values of love, respect, justice and compassion.

All young people across all our schools are entitled to:

- Be challenged
- Be supported
- Be articulate
- Be confident
- Be resilient
- Be engaged
- Be valued as an individual
- Grow in independence

All our staff are entitled to:

- Be challenged
- Be supported to be reflective practitioners
- Experience a rich and varied professional development programme
- To grow in their craft
- To respond to the call of serve in making a real difference to all young peoples lives in a safe and supported community of learning and Faith.
