

The Sacred Heart Language College is one of the highest performers in England, winning national awards

The Sacred Heart Language College has been recognised nationally by receiving prestigious awards for their outstanding key stage 4 results last year. The awards are based on 2019 data provided by the Department for Education and Ofsted, and for the school's commitment to collaboration, analysed by SSAT, the Schools, Students and Teachers network.

The Sacred Heart Language College was found to be among the best performing non-selective secondary schools in the country, receiving two awards for being in the top 10% nationally for attainment and for being in DfE Band 1 for student progress at key stage 4.

The SSAT Educational Outcomes database compares all state-funded schools in England and the highest performing schools in a range of key measures are awarded SSAT Educational Outcomes Awards.

Sue Williamson, Chief Executive of SSAT said:

“Congratulations to The Sacred Heart Language College on winning two SSAT Educational Outcomes awards. This success is down to the superb learning and teaching, outstanding support and inspirational leadership of students, staff, parents and governors. You have made a huge difference to the lives of the young people in your school. Thank you.”
